Eric L. Knutson, M.D., and Belden L. Divito, P.A., are pleased to announce that Stephen T. Child, M.D., has joined them in becoming members of Lahey Hitchcock Clinic's network of more than 30 community-based physician practices throughout Massachusetts.

As physicians at Lahey Hitchcock Fitchburg, Drs. Child and Knutson offer the convenience of top-quality primary care based right in the community. They provide the full range of adult internal medicine services in Fitchburg, and continue to utilize Burbank Hospital services and specialists.

At the same time, when complex specialty care is needed, they have access to the superb resources of Lahey Hitchcock Medical Center in Burlington.

So for a regular check-up, a minor illness or something more serious, they are better prepared than ever to meet your needs. And they continue to accept more than 35 health insurance and managed care plans.
